2. Set a public hearing date of January 29, 2007 to consider the formation of an Underground Utility District known as Soledad Mountain Road between Pacifica Drive and Ridgeway Row; and
3. Create said district.

REPORT TO THE CITY COUNCIL EXECUTIVE SUMMARY SHEET

DATE REPORT ISSUED: REPORT NO.: n/a (1472)
ATTENTION: Council President and City Council
ORIGINATING DEPT.: Engineering and Capital Projects
SUBJECT: Public Hearing: Soledad Mountain Rd Underground Utility
District
COUNCIL DISTRICTS: 2
STAFF CONTACT: Nathan Bruner (619) 533-3777

REQUESTED ACTION:

Amend the Annual Allocation-Undergrounding of Utilities, project allocation for 2007 Calendar Year by removing the projects known as Sunset Cliffs Blvd (Coronado Ave to Newport Ave) and Fanuel Street (Grand to Reed) estimated at \$1,587,844 and replacing with Soledad Mountain Road (Pacifica to Ridgeway Row) at an estimated cost of \$2,337,695; setting January 29, 2007 for a public hearing to consider creating an Underground Utility District (District) and create said District.

STAFF RECOMMENDATION:

Amend the Annual Allocation of projects for 2007, set a public hearing date and adopt a resolution to create the District.

EXECUTIVE SUMMARY:

As part of the reconstruction efforts associated with the landslide that effected Soledad Mountain Road, SDG&E desires to place electric facilities underground between Pacifica Drive to just south of Palomino Circle at an estimated cost of \$647,799 which would be funded through CPUC Rule 20A. SDG&E proposes that although it would be funded through the use of Rule 20 funds, SDG&E would not count those expenditures towards its required Rule 20 expenditure obligations as described in its franchise agreement with the City of San Diego.

Council District Two desires to extend the area to be undergrounded by extending the northern boundary to where the pole line terminates just south of Ridgeway Row. This additional segment would be funded with Rule 20A funds by amending the 2007 Annual Allocation of Projects to remove two projects that are of near estimated costs and replacing them with this project. Staff would recommend replacing the projects in the 2009 Annual Allocation of projects.

Staff has informed SDG&E that the undergrounding of utilities cannot be allowed in any way to delay the reconstruction efforts. SDG&E will coordinate their work with the roadway reconstruction so as not to cause any delays.

In accordance with San Diego Municipal Code (SDMC), Chapter 6, Article 1, Division 5, *Underground Utilities Procedural Ordinance* these actions will create the Soledad Mtn Rd, from Pacifica Dr to Ridgeway Row Underground Utility District and will underground all overhead utilities within the designated District.

**REPORT TO THE CITY COUNCIL
EXECUTIVE SUMMARY SHEET**

The formation of this district will require by Ordinance the removal and/or underground conversion of certain overhead power and communications wires with poles within the established boundary. The expense of the underground installation and removal of overhead facilities within the right-of-way (street and sidewalk area) will be the responsibility of the utility companies in accordance with California Public Utilities Commission (CPUC) Rules and Tariffs.

Replacement of street lighting, building permits, building and field engineering inspections, associated utility coordination of construction activities, and project management associated with these improvements, will be financed through City of San Diego Undergrounding Surcharge Fund 30100, contingent upon receipt of funds from San Diego Gas & Electric (SDGE).

By Ordinance, creation of this Underground Utility District will require all property owner(s) within said District to perform all necessary trenching and other related work to convert their property to receive electrical, telecommunication and cable television from an underground service, including all necessary permits. However, per agreement with the City of San Diego, SDGE will offer to property owner(s) within the Underground Utility District, to perform all the work necessary to convert private property, including necessary conduits for telephone and cable facilities, at no cost to the property owner(s). In order to take advantage of San Diego Gas & Electric's offer to perform this work, property owners are required to sign a Permit to Enter Form (PTE) and ensure their properties meet minimum conformance as outlined in the SDMC. Namely, that their electrical panels: (1) are deadfront operated, (2) have a grounding rod; and (3) have appropriate operating clearances.

FISCAL CONSIDERATIONS:

The estimated construction cost of \$2,263,489 for electrical utility work within the public right-of-way and private property, will be financed through the use of SDG&E Rule 20 (A), as directed by the CPUC, Case 8209. Costs to convert AT&T and cable television is financed directly by AT&T and the cable companies per applicable CPUC tariffs and City franchise agreements.

Other indirect costs such as administration, street light replacement, minor street improvements, and other related work is estimated at \$74,206 and will be financed through Undergrounding Surcharge Fund 30100, contingent upon receipt of funds from SDG&E. These expenditures have been approved or will be approved by subsequent actions.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

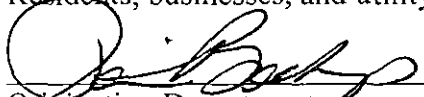

With notification of the Public Hearing, property owners and residents will be mailed an informational brochure about the City's Undergrounding Program including information as to how to contact and get more information via the Underground Program Information Line and the Underground Program via the internet, where they can access a monthly project status and sign up for email updates from the Underground Program Staff.

**REPORT TO THE CITY COUNCIL
EXECUTIVE SUMMARY SHEET**

During construction, e-mails will be periodically sent to those signed up, information regarding the status of their project, where the contractor is working and where he will be working next. Residents are provided door hangers with the contractors name and contact number and the City's contact name, number and internet address prior to work occurring on private property. Community Planning groups are added to all customer contact mailings and are notified of pre-construction meetings to discuss community issues directly with the contractor. Customer satisfaction surveys are used throughout the process and at project completion to identify systemic issues and improve customer service.

RESOLUTION NUMBER R-_____

DATE OF FINAL PASSAGE _____

A RESOLUTION ESTABLISHING THE MOUNT SOLEDAD
UNDERGROUND UTILITY DISTRICT FOR THE LA JOLLA
PLANNING AREA.

WHEREAS, by Resolution No. R-_____, a public hearing was called for on _____, 2008, at the hour of _____ in the Council Chambers of the City Administration Building, 202 C Street, San Diego, California, to determine whether the public health, safety, or general welfare requires the removal of poles, overhead wires, and associated structures and the underground installation of wires and facilities for supplying electric, communication, community antenna television or similar or associated service within certain areas of the City of San Diego more particularly described as follows [the District]:

a. Lots 194 through 202 & 203 through 213 of Map of Soledad Corona Estates Unit No.3 Subdivision Map No. 4473.

b. Lots 1 through 10 & 36 through 43 of Map of La Jolla Pacifica Unit No.1 Subdivision Map No. 4787.

c. Soledad Mountain Rd. between a line from the Northeastern corner of 5758 Soledad Mountain Rd. and to the Northwestern corner of 5755 Soledad Mountain Rd. to a line from the Southeastern corner of 5580 Soledad Mountain Rd. and to the Southwestern corner of 5783 Soledad Mountain Rd; and

WHEREAS, Exhibit Attachment A, Map, and Exhibit Attachment B, Legal Description, depicts the above District with greater specificity; and

WHEREAS, notice of such hearing has been given by the Mayor to all affected property owners as defined in Chapter VI, Article One, Division Five of the San Diego Municipal Code, and the utilities concerned in the manner and for the time required by law; and

WHEREAS, such hearing has been duly and regularly held and all persons interested have been given an opportunity to be heard; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

1. The City Council hereby finds and determines that the public health, safety, or general welfare requires the removal of poles, overhead wires, and associated overhead structures and the underground installation of wires and facilities for supplying electric, communication, community antenna television or similar or associated service within the areas set forth above and that pursuant to Chapter VI, Article One, Division Five of the San Diego Municipal Code, the above areas are hereby declared to be underground utility districts in the City of San Diego, and the maps and document referred to above are hereby incorporated as a part of this resolution.

2. The Mayor is hereby authorized to establish schedules for the underground conversion of all poles, overhead wires, and associated structures in said District.

3. The Mayor is hereby instructed to notify all affected persons as defined in Chapter VI, Article One, Division Five of the San Diego Municipal Code, and all affected utility companies of the adoption of this resolution within fifteen days after date of adoption. The Mayor shall further notify affected persons as defined in Chapter VI, Article One, Division Five of the San Diego Municipal Code of the necessity that if they desire to continue to receive electric, communication, community antenna television or similar or associated service, they shall permit the installation of all necessary facility changes on their premises, or provide such

changes at their own expense, so as to receive underground service from the lines relocated underground of the supplying utility company subject to applicable rules, regulations, and tariffs of the respective utility company on file with the Public Utilities Commission of the State of California (as of the date of the adoption of this resolution) and subject to all other applicable requirements of State law and City ordinances. The Mayor's notification shall be in the manner provided in Chapter VI, Article One, Division Five of the San Diego Municipal Code.

BE IT FURTHER RESOLVED, that this activity is categorically exempt from CEQA Guidelines Section 15302(d), and Public Utilities Commission General Order 131-D dated August 11, 1995.
